Re: FOIA Request

Dear Mr. Ginzberg:

I write regarding your February 13, 2019 Freedom of Information Act request for "FOIA Logs from the earliest date available through today."

Enclosed are two logs covering the period from 2013 to early 2016. Certain information has been redacted under the following exemptions:

- 29 *Del. C.* § 10002(l)(1) – "Any personnel, medical or pupil file, the disclosure of which would constitute an invasion of personal privacy, under this legislation or under any State or federal law as it relates to personal privacy."
- 29 *Del. C.* § 10002(l)(3) - "Investigatory files compiled for civil or criminal law-enforcement purposes including pending investigative files, pretrial and presentence investigations and child custody and adoption files where there is no criminal complaint at issue."
- 29 *Del. C.* § 10002(l)(4) - "Criminal files and criminal records, the disclosure of which would constitute an invasion of personal privacy."
- 29 *Del. C.* § 10002(l)(6) - "Any records specifically exempted from public disclosure by statute or common law," including but not limited to attorney-client privilege, the Victims' Bill of Rights, and the common law of privacy.

Because the remainder of your request involves voluminous records and requires legal review and advice, additional time is required to respond to your request. I estimate that I can provide a supplemental response by April 19, 2019.

Very truly yours,

/s/ Kim Siegel
